Folkestone Limited

Directors' Report

For the half-year ended 31 December 2006

The directors present their report together with the financial report of Folkestone Limited ('the Company') and of the consolidated entity, being the Company and its controlled entities, for the half-year ended 31 December 2006 and the auditor's report thereon.

Directors

The following persons were directors of Folkestone Limited during the whole of the half-year and up to the date of this report:

- ❑ ATL Maitland (*BCom, FAICD, FAIM, SF Fin*) (Chairman)
- ❑ BR Kean AM (*Dip ChemEng, FIE Aust, FTS, FAICD*)
- ❑ DCJ Scarf (*BEcon*)
- ❑ MW Parkinson CBE (*MA, MBA (Stanford), FAICD*)

Mr Allan Davison (*BBDg, AAPI*) was the Managing Director and he retired from this position on 3 July 2006.

Mr Oscar Guglielmi was appointed as a Chief Executive Officer and Managing Director of the company on 28 August 2006 and continues in office to the date of this report.

Financial Results

The net profit after tax for the six months ending 31 December 2006 is \$495 thousand compared to \$547 thousand in the corresponding period in 2005. This represents a basic earnings per share of 1.64 cents, compared with 1.84 cents in the corresponding period in 2005.

Dividends

The Board has resolved to maintain the interim dividend at 2.5 cents per ordinary share, fully franked. The dividend will have a record date of 19 March 2007 and will be paid on 3 April 2007. Shareholders will be able to participate in the company's Dividend Re-Investment Plan which offers a 5% discount.

Cash Position

The company has adequate cash reserves, bank lines of credit and future anticipated cash inflows to fund current overheads, development projects and committed expenditure on future acquisitions.

Asset Backing

Net tangible asset backing was steady at 64 cents per share.

REVIEW OF OPERATIONS

Development division

Projects under development

As foreshadowed at the AGM, the development division's performance for the half year was impacted by a \$970 thousand pre-tax loss relating to the sale of the remaining two strata levels at our 530 Lonsdale Street project.

The remaining four terrace houses at 'Jolimont Square' were sold during the half-year with two settled prior to Christmas and the other two due to settle in the first quarter of 2007, which will mark the completion of this project.

Development of Parcel B (Bertie & Bridge Streets, Port Melbourne) at the toyotagreen Business Park in Port Melbourne continues with Stage 1, comprising five units, now fully constructed. To date one unit, Unit 5, has been leased which commenced in August 2006. Three of the remaining four units have been recently secured under a Heads of Agreement with the lease expected to commence in May 2007.

Folkestone Limited
Directors' Report
For the half-year ended 31 December 2006

Construction of Stage 2, comprising three units and a multi-deck car park, was one third complete at balance date. Ericsson has signed an agreement to lease Unit 6 (2985 m²) which is due to commence in May 2007. Site planning for Stage 3, comprising a further five units, is underway and construction is expected to commence later in 2007.

New Acquisitions

The company has acquired three new developments sites in the current half-year

- 720-808 Kororoit Creek Rd, Altona
- 135, 225 & 285 Donnybrook Rd, Mickleham
- 108 Ocean Beach Rd, Sorrento

Further details on these acquisitions can be found in the shareholder update.

In respect of the Altona project, whilst not recognised in the financial statements, the directors believe its value has increased due to the strong demand for industrial land and scarcity of large parcels of land in the locality. It is also believed that the value of the land will be further enhanced through the planning process.

Construction division

Access Constructions Pty Ltd had another strong half-year to 31 December 2006 with a pre-tax contribution of \$1.960m compared with \$1.908m last half year. The value of uncompleted work on hand at 31 December 2006 was approximately \$24.5 million. Directors believe that the consistent earnings being delivered by Access justifies a market valuation of the business substantially in excess of the current carrying value of the investment in the parent company's financial statements.

Company strategy

At the company's 2006 AGM, the company outlined that its strategy would be to identify and control parcels of land that can support multi-year development programs and to co-invest with like – minded investors as a partner in the development. The strategy will enable the company to generate recurring fee income through the project planning, approval, pre-development and development phases of the project in addition to its share of the development profits of the project. Fee income is intended to become a major profit contributor and will reduce the volatility that has been a feature of Folkestone's performance in recent years.

Further details on the company's strategy can be found in the shareholder update.

Earnings Outlook

The Directors' expectation for current year earnings remains unchanged with a similar full year result expected to that of last year. The Board is confident that the strategy being implemented will provide a platform for sustainable earnings growth.

ROUNDING OF AMOUNTS TO NEAREST THOUSAND DOLLARS

The economic entity has applied the relief available to it in ASIC Class Order 98/100 and accordingly certain amounts in the financial report and the directors' report have been rounded off to the nearest \$1,000.

AUDITOR'S INDEPENDENCE DECLARATION

The auditor's independence declaration is included on page 4 of the half-year report.

Folkestone Limited
Directors' Report
For the half-year ended 31 December 2006

This report is signed in accordance with a resolution of the Board of Directors made pursuant to S.306(3) of the Corporations Act 2001.

On behalf of the Directors

ATL Maitland

21 February 2007

Dear Board Members

Independence Declaration to the directors of Folkestone Limited

In accordance with section 307C of the Corporations Act 2001, I am pleased to provide the following declaration of independence to the directors of Folkestone Limited.

As lead audit partner for the review of the financial statements of Folkestone Limited for the half-year ended 31 December 2006, I declare that to the best of my knowledge and belief, there have been no contraventions of:

- (i) the auditor independence requirements of the Corporations Act 2001 in relation to the review; and
- (ii) any applicable code of professional conduct in relation to the review.

Yours sincerely

Folkestone Limited
Notes to the condensed consolidated financial statements
For the half-year ended 31 December 2006

NOTE 1. SIGNIFICANT ACCOUNTING POLICIES

Statement of Compliance

The half-year financial report is a general purpose financial report which has been prepared in accordance with the Corporations Act 2001 and AASB 134 'Interim Financial Reporting'. Compliance with AASB 134 ensures compliance with International Financial Reporting Standard IAS 34 "Interim Financial Reporting". The half-year report does not include notes of the type normally included in an annual financial report and should be read in conjunction with the most recent annual financial report.

Basis of Preparation

The condensed financial statements have been prepared on the basis of historical cost, except for the revaluation of certain non-current assets and financial instruments. Cost is based on the fair values of the consideration given in exchange for assets. All amounts are presented in Australian dollars unless otherwise noted.

The company is a company of the kind referred to in ASIC Class Order 98/100, dated 10 July 1998, and in accordance with that Class Order amounts in the directors' report and the half-year financial report are rounded off to the nearest thousand dollars, unless otherwise indicated.

The accounting policies and methods of computation adopted in the preparation of the half-year financial report are consistent with those adopted and disclosed in the company's 2006 annual financial report for the financial year ended 30 June 2006, other than as detailed below.

Adoption of new and revised accounting standards

In the current year, the Group has adopted all of the new and revised Standards and Interpretations issued by the Australian Accounting Standards Board (the AASB) that are relevant to its operations and effective for annual reporting periods beginning on or after 1 July 2006. The adoption of these new and revised Standards and Interpretations has resulted in changes to the Group's accounting policies in the following areas that have affected the amounts reported for the current or prior years:

- Investments as "at fair value through profit or loss" (AASB 2005-04 "Amendments to Australian Accounting Standards");
- Financial guarantee contracts (AASB 2005-09 "Amendments to Australian Accounting Standards");
- Business combinations (AASB 2005-6 "Amendments to Australian Accounting Standards").

The impact of the adoption of these new and revised accounting standards on the Group's accounting policies is detailed below:

Limitation of ability to designate financial assets and financial liabilities through profit or loss

The AASB released AASB 2005-4 'Amendments to Australian Accounting Standards' in June 2005. AASB 2005-4 amends AASB 139 'Financial Instruments: Recognition and Measurement' by limiting the ability of entities to designate any financial asset or financial liability as 'at fair value through profit or loss'

Financial assets that can no longer be designated as 'at fair value through profit or loss' shall be classified into either loans and receivables, held to maturity investments or available for sale investments, as appropriate, and measured at amortised cost or at fair value with changes in fair value recognized in equity, depending on classification. Financial liabilities that can no longer be designated as "at fair value through profit or loss" shall be classified as 'other' financial liabilities and measured at amortised cost. Although ordinarily the designation of a financial asset as available for sale is made on initial recognition, the transitional provisions of the Standard allow such designation to be made on the date of de-designation (1 July 2005).

Folkestone Limited
Notes to the condensed consolidated financial statements
For the half-year ended 31 December 2006

The changes introduced by AASB 2005-4 are applied by the Group with effect from the beginning of the comparative reporting period presented in this financial report (i.e with effect from 1 July 2005). Financial assets and financial liabilities designated by the Group as "at fair value through profit or loss" continue to meet the revised designation rules and, accordingly, the application of these amendments has no impact on the financial statements.

Accounting for financial guarantee contracts

The AASB released AASB 2005-9 'Amendments to Australian Accounting Standards' in September 2005. AASB 2005-9 amends AASB 139 'Financial Instruments: Recognition and Measurement' to require certain financial guarantee contracts to be recognized in accordance with AASB 139 and measured initially at their fair values, and subsequently measured at the higher of the amount recognized as a provision and the amount initially recognized less cumulative amortization in accordance with the Group's revenue recognition policies.

The changes introduced by AASB 2005-9 are applied by the Group with effect from the beginning of the comparative reporting period presented in this financial report (i.e with effect from 1 July 2005). The Group is a party to a financial guarantee contract where an entity in the Group has provided a financial guarantee to a third party in respect of an entity external to the Folkestone Group. The application of these amendments results in such financial guarantee contracts now being recognized and measured at the higher of the best estimate of the expenditure required to settle the obligation and the amount initially recognized less, where appropriate, cumulative amortization.

There is no impact to the consolidated financial statements at the beginning of the comparative period as a result of this change in accounting policy. Profit for the half-year ended 31 December 2005 is the same under the new policy and financial liabilities as at 31 December 2005 were the same as was reported in the 2005 half-year financial report. There is no impact on the profits for the half-year ended 31 December 2006 under the new accounting policy as a result of movements in the fair value of the financial liabilities recognized.

Accounting for business combinations involving entities or businesses under common control

The AASB released AASB 2005-6 'Amendments to Australian Accounting Standards' in June 2006. AASB 2005-6 amends AASB 3 'Business Combinations' by removing business combinations involving entities or business under common control from its scope. The effect of the scope amendment is that there is no longer any explicit guidance under Accounting Standards as to how to account for these types of business combinations.

Due to the requirements of AASB 1 'First-time Adoption of Australian Equivalents to International Financial Reporting Standards' permitting the non-restatement of pre-transition business combinations, the amendment has no effect on the financial statements of the company or Group for the current or prior reporting periods. However, future transactions involving entities under common control will be affected because the entity will effectively have an accounting policy choice as to how to account for these transactions.

A number of accounting policy choices are available to the Consolidated Entity for the accounting of business combinations involving entities or businesses under common control. The Consolidated Entity has not yet experienced such business combinations and consequently has not yet decided on the accounting policy that will be adopted.

Independent Auditor's Review Report to the members of Folkestone Limited

Report on the Half-Year Financial Report

We have reviewed the accompanying half-year financial report of Folkestone Limited, which comprises the condensed consolidated balance sheet as at 31 December 2006, and the condensed consolidated income statement, condensed consolidated cash flow statement, condensed consolidated statement of changes in equity for the half-year ended on that date, selected explanatory notes and the directors' declaration of the consolidated entity comprising the company and the entities it controlled at the end of the half-year or from time to time during the half-year as set out on pages 5 to 14.

Directors' Responsibility for the Half-Year Financial Report

The directors of the company are responsible for the preparation and fair presentation of the half-year financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the *Corporations Act 2001*. This responsibility includes designing, implementing and maintaining internal control relevant to the preparation and fair presentation of the half-year financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of an Interim Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the consolidated entity's financial position as at 31 December 2006 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*. As the auditor of Folkestone Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Auditor's Independence Declaration

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*.

Conclusion

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of Folkestone Limited is not in accordance with the *Corporations Act 2001*, including:

- (a) giving a true and fair view of the consolidated entity's financial position as at 31 December 2006 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.
